Introduction

VALA lets you re-discover a familiar town. This is where you come for understated luxury, where refinement meets comfort. The origin of VALA started with our love for the town, our relationship with the local heritage that has spanned across many lifetimes of Hua Hin and Cha-Am.

Let us take you on a journey of local dishes and untrodden paths whilst you soak up the sea, with sand between your toes and leave with a refreshed mindset. Immerse yourselves in VALA's version of a beach town. There are many sides of VALA for you; a reflective getaway, a family staycation to a vacation with friends.

Location

Hua Hin - Cha-Am is a seaside town on the Gulf of Thailand, in the southern Thai province of Prachuap Khiri Khan. Once a quiet fishing village, it grew into a fashionable escape for residents of Bangkok after the 1920s, when the Thai royal family built summer palaces here.

VALA stands between Huahin and Cha-am. Built on an expansive space with endless greenery, the hotel is surrounded by leafy, mature trees with direct access to a well preserved beachfront.

Accommodation

Each room has its own VALA touch, complete with a comfortable space to relax and roam, with views of the landscape and the sea. Rest & restoration begins here. Choose the ideal room for you and enjoy breathtaking views and beach living, the VALA way.
